

## REMARKS

In response to the Advisory Action mailed 3/13/2008 stating that the previous amendment (filed 2/13/2008) raises new issues that require further consideration and/or search, Applicants submit the present amendment along with a Request for Continued Examination. The amendments to the claims are supported by the specification, thus no new matter has been added. Please note that the term of art SYNC\_ID is replaced with identifier corresponding to service configuration information. The term SYNC\_ID is commonly known to one having ordinary skilled in the art as defined in the 3GPP2 standard, specifically Section 1, page 1-47 of 3GPP2 C.S0005-C v1.0.

SYNC-ID - Service Configuration Synchronization Identifier. An identifier established by the base station that identifies a specific Service Configuration information record and Non-negotiable Service Configuration information record.

New independent claim 12 has been added. Independent claim 12 is supported by the original specification as filed.

In view of the foregoing amendments and remarks, Applicants request reconsideration and timely allowance of the pending claims. Please charge any fees associated herewith, including extension of time fees, to 50-2117.

Respectfully submitted,  
Sayeedi, Shahab et al.
